

**NO TIRES
LEFT BEHIND**

H426989 104" HANNA TIRE GLAZE

The new 104" Hanna Tire Glaze

- It comes with a Dual-Head Pump allowing you to adjust the chemical on the driver & passenger side independently
- Exclusive Drip Manifold System applies chemical to the tips of the rotating Polyethylene heavy flagged brush
- Special Manifold is fed from three different points to ensure an even delivery of product to the Tire Glaze
- Contours to the shape of the tire to maximize coverage
- Protective cover to minimize tire splatter on the vehicle
