

**HANNA WATER WIZARD ARCH**

- Made of durable high quality stainless steel which assures years of useful service
- Pivoting booms allow for variable angles of impingement for maximum cleaning on both sides of mirrors
- Seven oscillating spray heads assure complete vehicle coverage for maximum cleaning ability
- Washes the front, sides, top and rear of every vehicle with intense high pressure spray
- Requires a dual high pressure pump - NOT included
- Requires (2) computer functions to operate
- 10 feet of tunnel space is recommended for clearance of water spray
- Only 2 feet of tunnel space is required for mounting
- Electrically operated versions require a VFD mounted in the MCC \*\*

<b>H426278</b>	<b>Water Wizard Arch - Hydraulic Drive</b>	<b>\$13,195.00</b>
<b>H426472</b>	<b>Electric Drive upgrade for Water Wizard Arch ( requires a vfd mounted in MCC)</b>	<b>\$1,560.00</b>
